

Chocolate and Cocoa Beans

Fairtrade and Rainforest Alliance

Free vs Fair trade, what's the difference ?

Jack

You've probably heard every so often that chocolate that you are consuming are made with **Free** trade cacao beans rather than **Fair** trade cacao beans, but what's the real difference?

Free Trade (Mass-Market)

\$2.25 / bar

Fair Trade Certified

\$5.50 / bar

Price Premium: +\$3.25 (144.4%)

Fair trade products such as Fair trade cacaos, coffee beans and cottons etc. are slightly more expensive than regular free traded products in margin of about 2 ~ 3 dollars to equally and rightfully support workers who produces raw ingredients as such.

Why buy ethically sourced cocoa?

Stop child slavery - buy fair trade cocoa

Companies like Camino makes their story personal by using photos of their farmers, and also marketing their chocolate as “healthy” compared to other chocolate bars
