

Action

Purpose: The "Call to Action" showcase.

The "Insufficient" rating stems from a policy-to-reality disconnect. While government transfers prevent a total collapse, they currently function as a safety net rather than a ladder. To move the status from Insufficient to Effective, the following actions are prioritized by provincial advocates:

- A space for an **Embedded Map** (Bing or Google).

- A "PDF Embed" area (Option A)

- "Video/Drive Embed" area (Option B).
