

Youth Employment

By Joshua, Lachlan MacKay and Lachlan McMahon

The reason we picked Youth Employment for our Sustainable Development Goals is because of how much it relates to us. It relates to Lachlan McMahon the most because he actually has a job at Canada Games Centre and can show the benefits and risks for having a job as a youth compared to me and Lachlan Mackay who can ask questions about jobs and the difficulty finding them and how much work it takes to keep a steady job or income. The Global Goal this topic follows is SDG Target 8: Decent Work and Economic Growth.

- Joshua Abraham: Lead on the investigation, assisted the cover and response
- Lachlan Mackay : Lead on the cover, assisted on the response
- Lachlan McMahon : Lead on the Response, investigation and reflection
