

Ghost Fishing Gear (Nova Scotia)

Mission Statement - what's the site about?

this side is about of how the communities in Nova Scotia is preventing, asses and reduce the effect of its water pollution, the ghost gear on the south shore of Nova Scotia and other regions close to us. Which also refers to project to find, remove and recycle "ghost gear" from the ocean around Atlantic Canada so it doesn't harm life or the environment.

- A "Meet the Team" section with 2–3 small image/text blocks for Student Bios.

Just ME ;) Clark and Clark
