

World War II 5 Paragraph Essay

For this assignment we are going to be working on writing and developing a five paragraph essay. Follow the steps laid out here to complete this assignment.

I Can	Follow the “I can” statements below to help complete this assignment I can identify a topic from our World War 2 unit that I am interested in and want to explore more. I can find information on the topic I have selected using primary or secondary sources. I can research the topic of my choice and present it in an essay, complete with an introductory paragraph, a body, and a closing statement, using a 5 paragraph structure. I can compete the steps laid out in this assignment and turn in my work to the google classroom									
Step 1: Brainstorming And Picking a Topic Required Resource	The first step for this assignment is brainstorming and deciding on a topic <table><tr><td>Battle of France</td><td>D Day Landings</td><td>Battle of Stalingrad</td></tr><tr><td>Battle of Britain</td><td>Italian Campaign</td><td>The Canadian Experience</td></tr><tr><td>Pearl Harbour</td><td>The Pacific Front</td><td>Canada and the Homefront</td></tr></table> If you have a family member who took part in World War 1 or 2 I would be open to letting you research and try to tell their story. For more information on this or any topic not included please let me know and we can discuss more. I can select three different essay topics I would consider picking for a topic I can provide 3 different facts about each of the topics I can use 2 to 3 different sources for each topic I can pick one of the three topics to write my essay on	Battle of France	D Day Landings	Battle of Stalingrad	Battle of Britain	Italian Campaign	The Canadian Experience	Pearl Harbour	The Pacific Front	Canada and the Homefront
Battle of France	D Day Landings	Battle of Stalingrad								
Battle of Britain	Italian Campaign	The Canadian Experience								
Pearl Harbour	The Pacific Front	Canada and the Homefront								
Step 2: Researching and Writing your Draft	Now that you have completed step one and selected a topic it is time to start researching and writing your draft. Use the I Can Statements below to help you complete this step.									

Copy of Graphic Organizer	• I can complete my research in the graphic organizer • I can complete my rough draft within the graphic organizer • I can turn in my graphic organizer to our google classroom • I can use primary and secondary sources in my research
Step 3: Good Copy and Editing	The final step will be taking the draft of your essay and getting it ready to turn in. Follow these I can statements to complete this step: • I can put my rough draft into a google document and make any edits that need to be done • I can ensure that I have tried my best to use proper grammar and punctuation • I can turn it into our google classroom when I am done
Outcomes	<i>Learners will reflect on the impact that World War 2 had on a changing Canadian society.</i>
