

Interests Assignment

For this assignment, we will be working on becoming more comfortable using Google Slides. To complete this assignment, you must create a Google slide show that reflects your interests. Follow the instructions in the chart below to complete this assignment.

I Can	To complete this assignment please follow the “I can” statements listed below: • I can create a Google Slideshow that showcases my interests • I can include all of the required information • I can write one or two sentences about why I selected the interest I selected • I can submit it to our Google Classroom when it is complete
Required Information	When completing this assignment in google slides please make sure you include the following: • Title Slide ◦ Title of the assignment and your name on it. • 5 Interest slides ◦ 5 things you are interested in ◦ Each slide should include: ■ Interest is clearly stated at the top of the slide ■ A picture or video relating to your interest ■ One to two sentences about the good you selected • Reflection Slide ◦ Answer this question: What are some factors that influence your interests? ◦ If you are doing this with a partner: ■ What are some interests that you both have in common? NOTE: If you were a student of mine from last year and completed this project I still want you to complete it this year. Here are some things to help you complete it: Have any of your interests changed over the years? What new interests do you have? Or What are you no longer interested in? If there has been lots of change in your interests you can compare the changes.
Outcomes	<i>Analyze ways in which peers, media, and social norms influence healthy decision-making.</i> <i>Competencies: Digital Fluency, Critical Thinking, Creativity</i>
